

Kurt Kavanaugh Orthodontics T-Shirt Design Contest

We know we have many creative patients in our offices, and now we want to put those talents to good use! It's time to come up with a new slogan/design for our official t-shirts, and we are asking you to create us a winner!

Just lay out your idea on the entry form and give it to one of our front desk staff or mail it by June 1st. We'll post the best three submissions at both of our offices. Patients will then be asked to vote for his or her personal favorite. The entry that receives the most votes will become our official new t-shirt.

Imagine how cool it would be to see your creative idea "on display" on all our new patients!
